

7 October 1960

MEMORANDUM FOR THE RECORD

SUBJECT: Joint Procurement Meeting

REFERENCE: Memo to the Army, AFCIN, and Navy, dtd 14 Sept 60,
from D/PIC

On the morning of 7 October 1960 I notified Colonel Hall of AFCIN in the absence of Colonel Winterbottom and Major Biely, who are usually cognizant of these matters, that the Joint Procurement Meeting scheduled for 10 October would not be held because I have had no response from AFCIN as requested in the referenced memo, and it is too late to arrange for contractors to be present to present their status of contracts by Monday. This is regrettable but unavoidable due to the lack of action by AFCIN.
